09062518261

Currently a 4th year student of Central Luzon State University taking Bachelor of Science in Information Technology. Quantitatively driven system development undergraduate looking for an opportunity to leverage my data analysis and website development skills as a developer upon graduating.

Hardworking student seeking employment. Ready to utilize my skills and passion to further the mission of a company. Eager to provide deliverables to the Information Technology world and build trust at a company. Technologically adept, offering experience with many different social media platforms and advanced computer skills. Bringing forth a positive attitude and the willingness and motivation to learn new programs.
